The **St Petrock's Rough Sleeper Service** is supporting around 25-40 people without a home each day via a street outreach & centre appointment service, as well as providing ongoing support to around 30 people in emergency hotel accommodation. Can you help by donating any of the following **much-needed items** this Christmas? **THANK YOU** very much for all your support.

Small men's jeans (*waist 28" - 34"*) & joggers

When selecting small gift items:

Please take into account that about **80%** of the people we work with are **male**.

To prevent waste, it is helpful if gift items are donated **loose or in small bags**, which should be labelled male/female (please do NOT place items in shoeboxes).

Notes and gift tags are often appreciated too.
